

Effective and Economical Environmental Solutions

Our History...

Established in 1986, the **Karl Environmental Group** has grown to become one of the leading environmental consulting and remediation firms in the tri-state area. Our history has been that of satisfying clients, retaining their business, and winning praise and referrals. This has been accomplished by consistently delivering superb service along with genuine value.

Our Services...

From Phase I Environmental Due Diligence to Asbestos and Mold Inspection and Remediation, **Karl Environmental Group** offers a broad array of professional consulting and remediation services to fit all of your environmental needs. See the enclosed flyers, visit our website, or contact us for more detailed information regarding our individual services.

Our Clients...

We view our clients as partners and work collaboratively with them to achieve their individual environmental goals while meeting their regulatory requirements. We work both diligently and intelligently to ensure that the needs of our clients come first. This is why our client list includes companies such as Wells Fargo, The Salvation Army, PennDOT, Fidelity Technologies, Inc., and the FAA.

Why Choose Karl Environmental Group?...

Our dedicated staff have the knowledge, experience, and expertise to help you meet all of your environmental needs, within your budget and on your schedule. It's what we do best!
